Mr. Cayce Hand

I would like to take this opportunity to personally thank you and your staff for the Job well-done for the E.R. , N.I.C.U., Children's Project Phase 1 & 2, Surgery Phase 1 and currently the Sterile Processing project. I appreciate your staffs attitude, flexibility and craftsman ship; HAND offers to minimize interruption, delivering a great finished project. HAND's helping partnership in creating a healing environment is essential in the Healthcare industry. We do appreciate your service and your prompt attention to working as a team to ensure projects are meeting out customers needs. Please pass on my thanks to all your staff.

Sincerely

Regional Maintenance Engineer
