Shreveport, LA 71149

Dear Mr. Hand:

The Sisters, residents, and staff of Holy Angels Residential Facility wish to express out grateful thanks to you for your generous donation to our Nursery/Fitness Center Fund. Your financial support for this project demonstrates once again that Shreveport-Bossier is a community that cares about all its citizens, but particularly those who have so little power to do for themselves. This project is one which will benefit every resident of Holy Angels - from the youngest and most fragile to those who depend on us in their declining years.

Enclosed you will find a receipt for your records. Please know that your help will make our dream a reality and will allow Holy Angels to continue to provide a level of care unmatched by any other such facility. We look forward to working with you on this project and appreciate your effort and willingness to help.

May God bless you for putting the needs of His special ones first.

Sincerely,

Sr. Concetta Scipione, O.L.S.
Administrator
