Dear Friends:

The Salvation Army is extremely grateful for the support and dedication of many fine companies, organizations, and individuals in the Shreveport-Bossier area who give so that we, in turn, may give to those in need. Too many people, unfortunately, still find it necessary to seek soap, soup, and shelter at The Salvation Army. We are able to continue meeting those needs, however, because of friends like you.

We wanted to take this opportunity to express our sincere appreciation to you for your past support, and we certainly wish Hand Construction much continued success in the future. Please don't hesitate to contact our office if there is ever anything we can do for you.

Thank you so much for your support and friendship on behalf of all those in need in the Shreveport-Bossier community.

Sincerely,

Janie P. Landry
Area Development Director
